¹ Fifty-three per cent of Canadian Medical Association members trusted MD Financial Management as their primary financial services firm, four times more than the next closest individual competitor at twelve per cent. Survey respondents (MD clients and non-MD clients) were also asked to identify their primary financial institution (MD or Other), and rate their level of trust associated with that institution. MD received the highest trust rating compared with all other firms rated. Source: MD Financial Management Loyalty Survey. June 2014.
